

As lots of questions come out this time of year regarding the online training, see the steps below and attached screenshot which may be helpful for you.
If you have any questions, please let me know.

To get to your training:

- Use a laptop or desktop computer using Google Chrome or Firefox. Mobile Devices/phones/tablets and Internet Explorer will not work correctly.
 - Log into your account at MyScouts.ca
 - On the left-hand side, around the middle of the page, you will see “DAVID HUESTIS Learning Centre”. Click that.
 - Then, scroll to the bottom of the page. Under the dark grey bar you should see a course called “My Learning Path”. All of your training is contained here.
 - To the right you will see a red “Launch” button. Click that.
 - Now, read everything on-screen to more easily complete the training.
 - You will see another “Launch” button on this page. Click that to open the “Learning Map”.
 - When you get here for the first time, you will be asked a few questions and given the opportunity to take a quick tour. Please take the tour.
 - Complete each area of the map as outlined in the attached Screenshot.
- PLEASE NOTE: Group Committee and Commissioner Skills will show for everyone, but ONLY need to be completed by Group Commissioners or those on the Group Committee.
 - Take your time and be sure to complete each session within each module.
 - To close, click the regular X in the corner of your window. Wait a couple seconds for your progress to be saved as the white window will close itself

Yours in Scouting,

Heather Earle

Area Support Manager

White Pine Council

Supporting Owasco, Whitby, Oshawa and Lakeshore Ridge
