Important Information

Medication

If medication is required, please ensure that this information is on your child's registration form. It must be in a secure package (zip lock bag is good), and delivered to the staff at camp. The medication is to be labeled as follows: Camper's name, program and dates, type of medication and dosage, treatment and reason for medication. Medication will be stored with our Residential Camp Coordinator and will be given as you have directed. Please advise our Summer Program Director if there are any changes to medication during your camper's stay with us.

Lost & Found

All Lost & Found articles will be available at the Pick-Up site at the week's end. After the camp season, our Lost & Found will be sorted and only those deemed valuable will be kept at the Administrative Centre until September 8th, at which time any unclaimed articles will be donated to a charitable organization.

Behaviour

The rules and regulations of the camp will be discussed with each LT/CIT on the first day of camp. Participants are not permitted to wander off unsupervised or leave their groups without permission. The utmost respect is expected from LT/CIT members as this is a program for leaders, who are role models for our younger campers. We reserve the right to dismiss/suspend any participant who continually displays disrespectful or unsafe behaviour.

T-Shirts

Each youth will receive a t-shirt as a memento from summer camp. Please indicate the preferred size in the appropriate section of the registration form. Every effort will be made to accommodate your size selection. T-shirt sizes are available in the following sizes:
 YOUTH SIZES: small (size 6 - 8), medium (size 10 - 12), and large (size 14 - 16). ADULT SIZES: small, medium, large, extra-large, 2X-large, and 3X-large.

Nitty Gritty Details

Our **Leadership Training (LT)** program works to develop campers' personal skills through a variety of workshops and activities. Topics include: Team Building, Effective Communication, and Conflict Resolution. Although this program runs during **daytime** hours, participants are invited to sleepover on Thursday evening to help lead night programming with our Residential Staff. Focuses of this program includes outdoor skills, trust and teambuilding through activities such as hiking, canoeing, swimming, shelter building and survival challenges. We endeavor to challenge our campers with adventure while placing an

emphasis on safety. Our **Counsellor-in-Training (CIT)** is an **overnight** program that aims to build on participants' professional skill-set and prepare them for professional opportunities in the future. This program provides adolescents with an opportunity to work on resume development, interview preparation and experience, as well as exploration into varying leadership styles. The participants will receive outdoor skill training and shadow our Summer Staff each day. At the end of the week, all participants will have an opportunity to develop and lead their own activity for a group of campers and receive constructive feedback from our team.

Family Night Campfire

Each Thursday, campers' loved ones are invited to join us for a campfire at Kitchie Lodge at 5:00 pm.

Loved ones are welcome to take advantage of our guided tour of the property at 4:30PM. Please gather at the sign-in tables. A barbecued dinner is provided for all campers on Thursday evenings, and they will rejoin their families after the performances around the campfire. Following campfire, parents are welcome to meet with camp staff and discuss highlights, questions or concerns. Following the performances, Leadership Training (LT) participants are welcome to stay for night-swim and evening programming for a glimpse into the Residential Camp experience. All meals will be provided the next day for those who join us overnight.

If your LT is not able to stay for the campfire, regular pick-up time of 5:00 pm applies. Please ensure they are listed on the Early Sign Out board.

Parent Feedback

Our Staff team appreciates your feedback, suggestions and ideas, as we feel that parents/guardians do contribute to the quality of our program.
