Council Commissioner Dylan Reinhart

- Sold Camp Samac Adventure base this year
- Identified three priorities: culture of support, sustainable finance, increasing membership through growth and retention
- Eliminated deficit
- Shortfall on Camp Samac budget due to hard winter
- Some cash flow challenges at the end of the year
- Focusing on the areas as support arm of the organization
- Ran 2 Support Scouter workshops last year
- Reviewed White Pine Council participant report – two areas grew more than 100%
- 6 of 7 area grew at least 90%
- Two groups grew by more than 200%
- Top numbers is 95.3%

Council Youth Commissioner – Zach Prescott

- WPC will be looking for 2 AYC for Owasco and Lakeshore Ridge shortly

Council Executive Director – Barry Hardaker

- Thank you to the previous Council Secretary Laurie Parks for her outstanding service to WPC
- Thanks to all for supporting the transition to the new service centre. Operations for WPC are now part of the Central Ontario Service Centre which serves 4 Councils

including 30% of the Scouting population. Currently working on streamlining the processes across all 4 Councils.

- Finances – made some severe cuts to keep the operating budget in line. The key three have been working with the National key three to ensure financial stability
- Jack Welsh was the troop scouter for the first WPC composite camp – 28 youth and 9 adults. Jack and his team did a great job. Thanks!
- The sale of AdventureBase helped to resolve the financial concerns. National is starting a property review. There is a property workshop on Nov 29<sup>th</sup> to start and support the process. WPC is the only Council in Ontario that has Area operated properties. There will be hard decisions to be made in the next 3-5 years.
- Congratulations in Kawartha Waterways on the building of Brownsea Base. It looks great and provides the services that are needed.

## **5. 2013/14 Annual Report**

### **a. Approval of Audited Financial Statements**

Motion: That the 2012/2013 audited financial statements be accepted as presented

Moved: Barry Hardaker

Seconded: Debby Corneal

Discussion:

Barry Hardaker - There is a surplus and there is no going concern on the statement. There were three years of going concern. The going concern was lifted due to the surplus. The surplus was generated due to the sale of Adventure Base. Samac needs to adjust priorities to bring the building back to code – focus on septic systems and roofs. Money from the sale of property was used to return the money to restricted funds. There are small changes to the restricted funds due to market adjustment over the years. Auditor was happy with the audit this year and CLT has recommended that the statements be presented at the AGM

### **b. Appointment of Auditors.**

Motion: That Pricewaterhouse Coopers LLP be appointed as the Auditor for White Pine Council for 2014/2015 pending a further RFP

Moved: Barry Hardaker

Seconded: Jessie Gillis

Discussion:

Barry Hardaker - KPMG was the auditor last year and was selected through an RFP. They will continue to work with Quebec. Pricewaterhouse is used by COSC and was selected by RFP. Pricewaterhouse has committed to the same price as KPMG.
