

I am In! How do I register my child?

- Start at www.scouts.ca and click the big red "join" button. Enter in your postal code and from the generated list, find the local group you would like to register with. Next to the group name, if there is still space available in the group, there is a 'register as a participant' button. Click this to register with the group online!
- Clicking on 'create an account' will take you to a page where you can fill in all of your personal information as a parent to create your own account. Once you have created an account, and re-run the search in 'Find a Group'.
- Click on 'register as a participant'. A pop up box will appear, you can confirm the registration year is correct and click 'continue'. Next select "new member".
- The next few screens are where you enter all of your child's details onto the system.
- After entering personal information, plus including any volunteer interest you may have as a parent, you will be at the 'add role' screen, here you can double check you are happy with the registration you are making, you can then hit 'add role'.
- You will next be asked to read and agree to the terms and conditions of Scouts Canada. Next you will confirm the registration details and price of the membership fee. Hit 'continue' if you are happy with all these details.
- The next screen will ask for your payment details. When the payment is completed, you should see a receipt pop up and a green message stating 'payment approved'. You can print this receipt if required and then hit 'continue' to finish the registration. If the payment is unsuccessful you will see a 'payment declined' message in red, you will be able to go back and retry if this happens.

Our well-rounded and inclusive programs offer youth aged 5 to 26 an opportunity to experience new things, to have

What is the membership cost?

Registration for Scouting runs 365 days a year! Right now, from May 1st to June 30th, 2018, a Scouts Canada membership is \$200. This will take your child all the way through to August 2019. Some of our groups do have a "group fee" in addition to the registration. This is in lieu of kids bringing weekly dues. When you register this Spring, you will be able to see which groups provide summer program. Your child is welcome to start right away, or you can indicate that you wish your start date to be September. Reserve your spot now to avoid fall waitlists!

We are having some financial challenges, is there assistance?

You bet! Scouts Canada has a No One Left Behind subsidy fund and it's easy to apply. To apply for NOLB Subsidy please visit Help.Scouts.ca and submit a request. You will be presented with an automated message designed to gather some preliminary information, then once your application has been reviewed an Agent will connect with you with the next steps.
