

White pine Council Composite Camp 2018 Haliburton Scout Reserve August 11 to 18, 2018

HSR is a world renowned Scouting property of almost 5000 acres (22 square km) of forest and lakes where youth of all ages can enjoy a range of activities such as: archery, climbing wall, rappelling, sailing, canoeing, kayaking, rifle range, swimming, hiking (to a waterfall!), snorkelling, stargazing and fishing.

Meet Scouting youth from other parts of Canada, and sometimes the world!

Youth and leaders of all outdoor skill levels are welcome, and will enjoy supervised activities along with free time to spend with their friends on their own adventures.

This composite camp welcomes youth from any Canadian Scouting or Guiding group, as individuals or with members/leaders from their home group. We look forward to you joining us!
